2. I take this opportunity of bringing to notice that, although I have instructed the Deputy Commissioners to invariably communicate on all excise matters through the Excise Commissioner, yet some of them continue to address the Government direct, and I have, in more than one instance, noticed that the orders of

Government

Government on Excise matters are communicated to the Deputy Commissioners direct, thereby leaving the references from the Deputy Commissioners to this Office unanswered or undisposed of. I beg to solicit — therefore that necessary instructions may be kindly issued to stop this anamoly

2. As it is inadvisable to resell the farms in question at this distance of time, I have — already instructed the Deputy Commissioner to attach the collections in all the shops under the defaulters, so as to cause them to be remitted direct to the Taluk Treasury, and to take other coercive measures by the attachment and sale of other property of the defaulters and their sureties. As no rules of procedure have been published, and no Licenses with the requisite Conditions, prescribed by Government under the provisions of the Excise Act, beyond a few instructions regarding the Security deposits

deposits to be produced by the Toddy farmers, &c. contained in certain Government Proceedings which have no legal force, the Deputy Commissioners and other Officers concerned, are at a loss to take any definite action in matters connected with Toddy. Under such circumstances I solicit the favor of early publication of the Rules and Licenses &c. submitted with this office No: 3056/1681 dated 5th/6 December 1892

I have the honor to be
